

ACME Smart Video Doorbell

Have you ever wondered what happens at your front door when you're not at home? From now on it's no longer a mystery! With the new ACME SH5210 Smart Video Doorbell you will be able to constantly track what's happening when you're away. Waiting for a delivery? Feel free to do your own thing, the Smart Video Doorbell will alert you every time there's any activity at the door. Check live view straight on your smartphone! Thanks to the integrated microphone and speaker, feel free to remotely communicate with the people outside your door. The ACME SH5210 Smart Video Doorbell is super easy to install – just attach the doorbell by the entrance with the screws provided in the box, download the "Smart Life" application to your smartphone and connect the two on your home Wi-Fi.
