Beam Special

BAKKER ELKHUIZEN

Work Smart - Feel Good

A convenient monitor arm

The latest monitor arm from BakkerElkhuizen

The Premium Office Dual Beam Special is the latest monitor arm from BakkerElkhuizen. This monitor arm allows you to set up 2 screens easily.

Use of a monitor arm is far more comfortable and increases productivity by 10% compared to working in the wrong position.

Multiple studies have found that using two or more screens can substantially improve performance (University of Utah, 2008; Colvin et al., 2004; Czerwinski et al., 2003).

Convenient: use the handle to set the screens to the right position quickly.

Spring-loaded arm: with a load capacity of 2 to 10 kilos, this monitor arm is suitable for the most modern screens.

Sustainable: made from sustainable materials, 98% recyclable.

Rotation: the Premium Monitor arm can rotate 180 degrees on each of the joints.

Extra wide: suitable for screens of up to 27 inches.

Cable management: built-in cable control.

Assembly: comes with both Clamp and bolt-through solutions as standard.
