

# ErgoSlider Plus

central ergonomic mouse

 BAKKER ELKHUIZEN

Work Smart - Feel Good

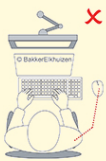

Minimises shoulder strain, maximises comfortable working

The ErgoSlider Plus ensures an optimal mouse position, in central alignment with your screen and keyboard.

Working in alignment ensures a correct ergonomic posture, which is very easy on the shoulders. And that translates into more work comfort.

A centrally positioned mouse is located directly in front of the user: between the user and the keyboard.
