

Q-riser 50

The latest model

 BAKKER ELKHUIZEN

Work Smart - Feel Good

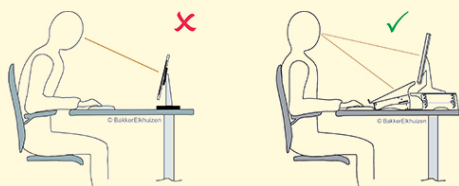

Adjust your screen to the correct viewing height

The Q-riser 50 and Q-riser 110 are the latest additions to BakkerElkhuizen's range of monitor stands.

The Q-riser 50 enables you to adjust your screen to the correct viewing height. This prevents overburdening of the neck and shoulder muscles.

BakkerElkhuizen BNEQR90 Monitor Stand Q-riser 90 We advise having a screen that can easily be adjusted and tilted so that every user can adjust its height.
