 BAKKER ELKHUIZEN

Work Smart - Feel Good

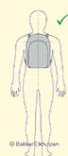

An all-in-one backpack and laptop bag.

Carrying a heavy load by hand is not wise. Therefore we always recommend not to carry a bag by hand.

A good solution is this all-in-one backpack and hand bag. This modern backpack is the perfect travel companion for your laptop (up to 15") and documents.

Ergonomic experts do not recommend carrying loads heavier than 4 to 6.4 kg by hand, depending on the distance, frequency and one's sex (Mital, et al, 1993).
