

# VIPER V530 OPTICAL GAMING MOUSE

The Patriot Viper V530 LED gaming mouse is the perfect choice for the entry level or casual gamer. With a comfortable design, and a 4000 DPI optical sensor, it's a perfect plug and play option to dominate your friends during gameplay. Paired with the Viper Software, the V530 allows you to program up to 7 macro buttons for easy access during intense gaming sessions, and set up 6 custom color profiles.

Ergonomic design and PTFE glide pads allow for maximum performance and speed over any surface. Backed by a two year warranty, the V530 is compatible with nearly every Windows® operating system, including Windows® 10 and later, Mac® OS X, or higher.
